To Whom It May Concern

We would like to express our appreciation for the kind co-operation and hard work **Mr. Essa Bin Abdul Rahman Al Dousari** has shown during the supply of 130 units city buses within the frame of Dubai Municipality city bus tender awarded to Mercedes-Benz in August 2002.

Mr. Al Dousari has participated effectively as part of Dubai Municipality official delegations in the Mercedes-Benz do Brasil factory visits on January 2003 and in Mercedes-Benz Turkey on May 2003 as well as in the prototype inspection visit in Mercedes-Benz Mannheim/Germany in April 2003. During these visits, we greatly benefited from his vast experience and know-how in the public transport operation.

After the delivery of vehicles in July 2003 and during the course of operations up until now, we always shared a perfect co-operation with him and are highly appreciating his constructive support, dedication to his work and high professionalism.

Best regards,
